Kongsgata 44

Dr. Mercedes Duque is a Venezuelan renowned doctor, an experienced healer, specializing in acupuncture and homeopathy.

Dr. Duque was one of the first foreigners to go to China (1976) to study at the Institute of Traditional Medicine in Beijing.

She completed her masters in acupuncture and homeopathy at the University of Bobigny, France and Sri Lanka.

Dr. Duque will be in Stavanger from 20th to 23rd of October and should be pleased to attend to your health needs.

To arrange appointments please send an email to post@energiverkstedet.com or give us a call.
